# **Mental Health Services Act**

## **DESCRIPTION OF MAJOR SERVICES**

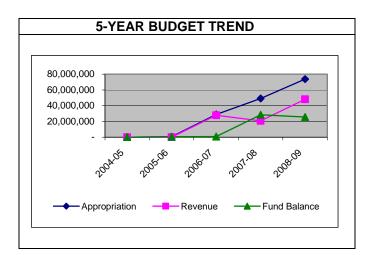

On November 2, 2004, voters passed Proposition 63, which established a state personal income tax surcharge of one percent on the portion of taxpayers' annual taxable income that exceeds \$1 million. The proposition was enacted into law as the Mental Health Services Act (MHSA) effective January 1, 2005. The overall purpose and intent is "to reduce the long-term adverse impact on individuals, families, and state and local budgets resulting from untreated serious mental illness to insure that all funds are expended in the most cost effective manner and to ensure accountability to taxpayers and to the public".

This special revenue fund was established in 2005-06. In 2005-06, the state approved the department's three-year plan. One-time and ongoing state funds received from the state are deposited into the fund, and are transferred to the Behavioral Health general fund budget unit, as needed to cover contract providers' costs, staffing and other costs. In 2008-09, Behavioral Health anticipates state funds of \$47.3 million. The funds will be deposited into the special revenue fund and will be transferred to the Behavioral Health budget unit, as needed, to fund new and expanded programs outlined in the three-year plan.

This fund does not directly spend funds or provide services. It is strictly a financing budget with actual expenditures occurring within the operating budget unit of Behavioral Health.

There is no staffing associated with this budget unit.
